Village Postman

Hi All

I am Alan Brafield and I am the Fornham All Saints, Hengrave & Flempton postman, I have been delivering here for four years and a postie for 15 years.

I was born in Great Welnetham and moved to Bury St Edmunds when I was four and then moved to the lovely village of Fornham All Saints with my wife Clare and my energetic daughter Sky.

I am a fan of Ipswich Town football club and I love playing table tennis and the guitar not at the same time; I am also a huge fan of Bruce Springsteen and new country music.

I enjoy delivering mail and talking to the people of Fornham and hope to do so for a lot more years to come.

more smiles per mile

In 2018 I wrote to the council about an idea I had to give free rides to people in Bury St Edmunds as I had come across many people who felt more isolated due to their poor mobility. Ann Williamson put me in touch with Libby Ranzetta who had a similar idea. We met in the February and by May we had our first rickshaw arrive. By contacting Local bike clubs we recruited volunteers to help provide the rides.

The plan was to run the service through the warmer months and shut down for winter. We had been so successful that residential sites made us realise that we could operate most of the year. In 2019 we started back in April and not only offered free rides to passengers but could help move food that would have gone to waste to charities like Bury Drop-in & Still Good Food.

We had gained enough support to apply for further funding from the town council and county council to purchase a cargo/wheelchair rickshaw.

The new cargo bike was great when we adapted in the pandemic to offer prescription and food runs. Our volunteers went from 30 to 50 and as we were already set up we managed to go from offering 2 rides a day to 40 deliveries.

This service was only made possible by the very efficient volunteers who not only trained to ride our rickshaws but also took their own bikes out to collect essential items. We also registered as a charity and now have 7 trustees helping to comply with regulations for our charitable status.

In 2020 we started to see the summer being back some normality which encouraged us to look forward at the new generation of rickshaws. All of the bikes have battery support (please don't say we are cheating as two people being peddled up a hill would not work without one)!

Through further funding and sponsorship by local companies we had

enough money to buy two Chats 'the Rolls Royce' of rickshaws.

So 2021 has seen our opportunities to help people receive free meals made by college students, take people for vaccinations, blood tests, booster, along with our regular passenger rides. As restrictions have eased our valuable Chatty Chum Volunteers have returned to sit with someone on their ride to keep them company.

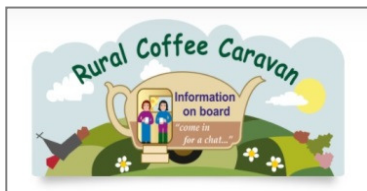

If you would like to volunteer behind the scenes or as a rider please visit our website www.bserickshaw.org.uk and fill in our application.

USAAF at Honington

Honington was assigned USAAF with designation Station 375 in June 1942.

The airfield was upgraded to a Class A Bomber base. In September, the VIII Air Service Command set up the 1st Strategic Air Depot Air Depot to service and the repair of B17s which was built to the west of the main airfield at Troston, specialising in B-17 models supporting the 3rd Bomb Division. Badly-damaged Fortresses were often instructed to crash land at Honington on return from operations if their landing gear could not be lowered, as this avoided the necessity to dismantle and transport the aircraft from its home base for repair.

Besides the air depot, Honington also housed an operational fighter unit when the 364th Fighter Group took up residence at Honington in February 1944. The 364th FG flew escort, dive-bombing, strafing (delivery of automatic weapons fire on ground targets) and patrol missions in France, Belgium, the Netherlands, and Germany. At first the group operated primarily as escort for B-17/B-24 Liberator heavy bombers.

The group patrolled the English Channel during the Normandy invasion in June 1944, while continuing escort operations & supported ground forces in France after the invasion by strafing and bombing locomotives, marshalling yards, bridges, barges, and other targets.

The group converted from P-38 Lightnings to P-51 Mustangs in the summer of 1944 and from then until the end of the war flew many long-range escort missions for the heavy bombers. The 364th received a Distinguished Unit Citation for an escort mission on 27 December 1944 when the group dispersed a large force of German fighters that attacked the bomber formation the group was escorting on a raid to Frankfurt.

The 364th also flew air-sea rescue missions, engaged in patrol activities, and continued to support ground forces as the battle line moved through France

and into Germany they took part in the effort to invade the Netherlands by air in September 1944; the Battle of the Bulge, December 1944-January 1945; and the assault across the Rhine, March 1945. Although the last mission by the 364th took place on 25 April 1945, the group did not depart until November. Even then, Honington remained the lone Eighth Air Force outpost in the UK becoming the USAAF Fighter Command HQ on October 5. Honington was the last USAAF station to be returned to the RAF.

By the beginning of 1946, the airfield remained the only active station of all the 122 which had been used by the Eighth Air Force

A fitting ceremony took place to mark its closure and official handing back to the Royal Air Force. On 26 February, Brigadier General Emil Kiel - the Eighth Fighter Command commander was present to hand over the keys of the station to Air Marshal Sir James Robb, AOC RAF Fighter Command. An RAF band played The Star-Spangled Banner as the Stars and Stripes were lowered for the RAF Ensign to be hoisted in its place.

FRIENDS OF THE VILLAGE HALL

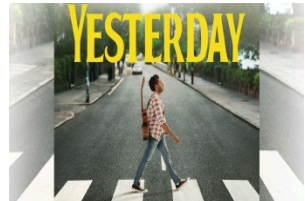

The Film Club.

To keep everyone safe we continue to socially distance chairs.

“Rainman” was shown in October, which won an Oscar for “Best Picture” in 1988. Starring a very young looking Tom Cruise and Dustin Hoffman.

Our film for November was “Yesterday”, starring Himesh Patel, Lily James, Ed Sheeran as himself and Robert Carlyle as John Lennon. It was filmed mainly in East Anglia - The Ramsholt Arms; Shingle Street; Pier Hotel, Gorleston; Latitude Festival; Clacton & Frinton.

All members were invited to this film and enjoyed a glass of wine or orange juice afterwards.

New members are very welcome. Unfortunately, I cannot advertise what films are going to be shown as it would be against our licence. The next film nights are on **Tues 25th Jan. and 22nd Feb. at 7.30 pm.**

Fornham Footers.

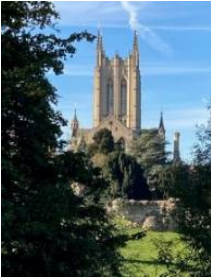

In October we travelled to Felixstowe in shared cars to the Dock end of Felixstowe. Coffee first at the café, then walking along the River Orwell to where it meets the sea and the Landguard Point Tramway which used to be used to transport shingle. For more information google [landguard-point-tramway/](https://www.landguardpointtramway.co.uk/).

After lunch at the Ferry Boat Inn at the River Deben end of Felixstowe, we had another walk this time along the sea wall past the golf club. An enjoyable day in lovely weather.

In November, 11 people took the bus to Tesco's, where we started our 3 mile walk. Taking the less well known paths in Bury. Along Cotton Lane, through the Abbey

Gardens and the bridge across the River Lark, where Linda took this beautiful picture of the Cathedral. We followed the path along the river to the rugby ground, along Southgate Street turned left to walk the water meadows path which led us to Westgate Street. A welcome cup of coffee and delicious cake was had in the Pilgrim's Café. Everyone found their way

back to the Village Hall either by walking or by bus for their packed lunch which had been left there earlier. Thank you to everyone who contributed to the excellent amount of **£260** which was raised for Children in Need, if anyone would like to add to this fund, please let me have your donation by Sunday 12th December.

Next walks are on Fridays 3rd Dec & 7th Jan 2022

Mah-jong Club.

Hooray! Mahjong re-started in September, there are usually 12 members at each meeting. **Beginners or Experts are always welcome to join.** We shall be playing at **9.30am on Mondays 6th & 13th Dec and 17th & 31st Jan.**

Christmas Meal.

All friends have been invited to a subsidised meal on Fri 10th December.

Canasta and Bridge.

Only 2 people have contacted me about Canasta. Please let me know if you are interested in playing either game.

I am always happy to discuss starting new clubs under the umbrella of "Friends of the Village Hall."

To join either the Walking Group, Film or Mah-jong group please contact Lynne 766909 **or lynne.quayle99@btinternet.com**. Joining one club and paying the joining fee of £10 per year (our year begins in May)

We celebrated our 103rd birthday in traditional WI style with a beautiful cake made by our expert, Margaret Muttock, wine and Elderflower Fizz! Before the celebrations Joe Rudland an osteopath from Abbeyfields Clinic, came to tell us about Pain, Arthritis and Osteopathy.

Osteopathy was founded by Andrew Taylor Still, a physician and surgeon, in the USA around 1874. So its history is quite short. At the time Dr Still was practicing as a physician, he realised that traditional therapeutic regimes often caused more harm than good, as medicines commonly prescribed were arsenic and opium! Believing that a body wants to be healthy he investigated alternative treatments and eventually osteopathy was born. To become an osteopath in UK there is training for four to five years to attain a Masters degree, 1000 hours of clinical experience and the requirement to do CPD training each year, plus being registered with the General Osteopathic Council. Joe advised that appointments were 30 minutes long so he was able to have plenty of time with his patients, which helped to pick up other problems that were not obvious. Joe has special interest in acute low back pain, sports injuries and many others.

From November 2021 we will be meeting at 2.00 pm in the village hall on the second Tuesday of the month, so please come along, as visitors will receive a very warm welcome!

Elizabeth Gingell Joint President

Autumn is definitely here, it's only 3°C outside as I write this. We have already begun to transfer our most vulnerable plants to our brand new greenhouse and planted out the winter pansies.

We are now preparing for Christmas; decking the halls and feeding the Christmas cake etc. Our Christmas raffle is going well and we'll hopefully raise a good amount for our chosen charity this year, The Breast Care Cushion Group.

As our planned Christmas Fair was cancelled, a few of us attended a coffee morning at Culford village hall on Saturday 23rd October where Sheila was able to display her copious amount of crafts intended for our fair. The morning went well and quite a number of items were sold.

The Rural Coffee Caravan again visited on the 3rd November and there was a good turnout, I think word of the delicious cakes they serve with the coffee has spread.

Hopefully, we can look forward to a normal Christmas this year and spend time with our families and loved ones.

A very happy Christmas to all.

Village Piece

Hi All

Well autumn is really with us now, and the trees are giving us a glorious colour display. Talking of trees, perhaps you all know this, but the last strong winds brought down a very large branch from a garden in Pigeon Lane, knocking out the telephone wires, and taking with it roof tiles, soffits off three to four houses, and completely blocking the lane. There was wonderful support from the neighbours, who came out with chain saws and carried broken branches off the road, a fantastic effort. Luckily no one was hurt as no one was passing at the time thank goodness.

The Heart Start evening went ahead, not very well supported, but hopefully those that attended can now save a life.

I have taken out the large dead plants from the bus stop rainbow of wild flowers, not sure what I should do next? I am looking forward to all the bulbs coming up, which make such a lovely display. Hedgehogs are still active, also the muntjacs down the lane, which Sasha my neighbour's dog can smell from miles away, and just loves trying to find them. I still need to check on the trees in the Heritage orchard, to make sure they are all still in good condition - I think one is not looking too good after my last visit.

The community centre has now a new Sports Hut, which is being used by Billy Wappett, training on sports and self-defence, and at present it is working well. Unfortunately the centre was broken into, and damage done, I cannot understand the mentality of these people, there was a few pounds in the meter where they ripped the boxes out, and forced open more cupboards, which were locked but only contained cups, coffee and tea, these people must be really desperate.

Community Council Meeting Nov 2021

The Community Council held their AGM alongside their normal meeting on the first of November 2021.

It has been a difficult year for the community centre due to Covid but the grants given by the West Suffolk Council have helped enormously.

The Car Boot sales recommenced in September but were not particularly successful due to the weather and lack of attendees!

The Hall bookings have picked up and we are almost fully booked for the rest of the year. Our regular bookings have all come back after the Covid break apart from one. We already have bookings for next year.

The old portacabin has been removed and a new cabin has been installed. We have used the grants (mentioned above) to fund this replacement.

Sadly, we have to report that the hall had once again been broken into. If anyone notices abnormal activity at the hall during the evening, please contact the police.

There is always a lot of ongoing maintenance required at the hall and volunteers and committee members make sure the hall is clean and repaired.

We are always looking for helpers and new committee members so please contact Enid Gathercole (Chairman) if you could help in anyway.
