9. To receive County Councillor's report from Cllr. Rebecca Hopfensperger

RH talked about the Parish forums which have been discussing Local Government Reorganisation & Devolution. Parish Councils are the grass roots of local government, and Devolution will potentially give more powers to PC's via a suite of powers under general competency for example; monies for volunteering, small works on the highways, gully cleans etc.

Action: RH to send other dates for Parish Forums to Clerk.

The path for Devolution is likely to be; 2026 - Mayoral elections for Norfolk / Suffolk Mayor. 2027 - unitary council elected. 2028 - unitary council implemented (with a shadow council in place in the interim).

Speed roundels - expect soon - Andy at SCC working on.

S106 monies Marham Park - ongoing.

Highways reporting - send RH any report numbers on any issues that need escalating.

Damaged bin - WSC siding with operative - suggest following official complaints procedure.

Involve resident witness.

Ross Britcher attended from the Bury Water Meadows Group to introduce himself and the

work that the group do throughout Bury, tidying and improving the river, and litter picking the area. The core purposes of the group are to improve biodiversity, restore the River Lark and the River Linnet and litter picking. Ross and his partner live in the village and regularly litter pick around Fornham. He was introduced to the volunteering group leader.

The following item was brought forward

25. Donations to community groups - S137 monies

Council resolved to donate £250 to the Bury Water Meadows Group, towards the purchase of new litter picking equipment and a trolley.

RH advised that she could cover this from her locality budget. The Clerk suggested that Council cover this under their S137 grant powers, and to use locality budget for other projects.

A plan was in place to meet at 10am the next day to begin to convert the existing VAS units to solar.

Martin Loveridge the volunteer group lead reported 3 new members in the last week. Two sessions had taken place, clearing flower beds and paths alongside the village green and church. A third session staking up the fence along the River Lark Path (12 stakes in, a further 10 to go).

RH congratulated the volunteering group on their work and noted that she uses Fornham as a great example to her other parishes.

c. Facilities / Assets Management / Community Centre / EV - Derek Brown

Nothing much to report.

There is a plan to review the assets and the maintenance of them.

Community Centre had an enquiry to hire the field for a corporate event, but declined as it was unsure how they stood legally. Hannah Cuthbertson from ASR advised that corporate events become much trickier, with regards to licensing and temporary events notices etc. The Clerk advised more work is required to understand ownerships/ responsibilities etc. over playing field use/hires.

DB asked ASR for contacts for their EV charging which will be to be going live imminently. RH advised funding is available for EV points.

22. Overgrown pavements

Clerk advised necessary forms and licenses obtained and sent - now awaiting SCC's final approval.

Contractor has advised that costs may vary slightly due to further growth, but will try to keep to minimum.

Council resolved that this was acceptable, given the length of time passed since the original quote.

23. Speeding in the village

The Clerk advised that following contact with the Community Policing Team, they had attended the village and reported that there was a speeding concern in the village. They will be adding it to their list and making a more regular attendance.

DL raised concern over the noise of the motorbikes travelling through the village and being able to hear them coming from a long distance off. The Clerk advised that in his other Clerk role in Icklingham, they had asked him to contact the other villages along to the A1101 to meet and discuss the issues of speeding motorcycles, especially on club nights and Krazy Horse event nights. The idea was suggested to meet with the Krazy Horse team to discuss how it impacts the villages.

Council agreed not to meet, but asked the Clerk to raise with the Community Policing Team and ask for potential spot checks, notably on certain nights when the issue is known to be worse.

24. Clerks extra hours for CiLCA qualification
